Mission: Sacred Heart School is a welcoming Catholic community built on Gospel Teachings and committed to scholars who seek a challenging academic environment and aspire to be faith-filled leaders for today and the future. We DREAM BIG

Dear Parent:

"God looked at everything He had made, and He found it very good." Genesis 1:31
Dear Lord, we know God doesn't make junk. Please assure the scholars that we were put on this earth for a reason. We owe it to God and ourselves to be the best we can be. Amen

It is with great excitement that I announce the opening of the 2017-2018 academic year. In addition to a new academic term, Sacred Heart School is celebrating 100 years of academic excellence and faith formation. We will be holding special events throughout the school year to celebrate this accomplishment, beginning with the 20th Annual Sacred Heart Golf Tournament on September 15th. We have wonderful new programs, and expansion of others. We are continuing to strive for excellence.

LUNCH MENUS DUE SEPTEMBER 6TH - NO EXCEPTIONS

Sacred Heart will continue the STREAM (Science, Technology, Religion, Engineering, Arts, Mathematics) curriculum integration in the fall. Your scholar will continue on a new and challenging integrated curriculum.

Our goal at Sacred Heart School is to ensure that every scholar meets with success through academic achievement and rigor.
